PETITION

TO THE HONOURABLE THE PRESIDENT AND MEMBERS OF THE LEGISLATIVE COUNCIL OF NEW SOUTH WALES

The petition of certain citizens of New South Wales state that they are opposed to the closing of the Newcastle railway line and termination of rail services at any position west of Newcastle Station, including termination at Wickham.

Your petitioners request that the House reject any proposal or recommendation that would involve the closure of some or all of the Newcastle railway line and the removal of heavy rail services direct to Newcastle Station.
